PETITION FOR RULE MAKING

Maurice Salsa (Petitioner), pursuant to 47 C.F.R. 1.401, hereby requests the commission to amend section 73.202 (b) of its rules, the FM Table of Allotments, to allot channel 292A (106.3 Mhz) at Junction, Texas.

DISCUSSION

Junction, Texas is an incorporated community of over 2,600 people and is the county seat of Kimble County. The proposed channel 292A would be the first competing commercial FM station to Junction and will provide additional diversity and an outlet for local self-expression to Junction residents and therefore is in the public interest.

Attached hereto is a channel study confirming that Channel 292A can be allocated to Junction, Texas consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992).

Reference coordinates are:

30 27 27 N  
99 50 08 W

Petitioner hereby states that if the commission grants this petition, he will apply for the channel when it is allotted, and, if his application is granted, he will promptly build the station.

WHEREFORE, for the foregoing reasons, Petitioner respectfully requests the commission to grant this petition and to allot channel 292A to Junction, Texas.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.
